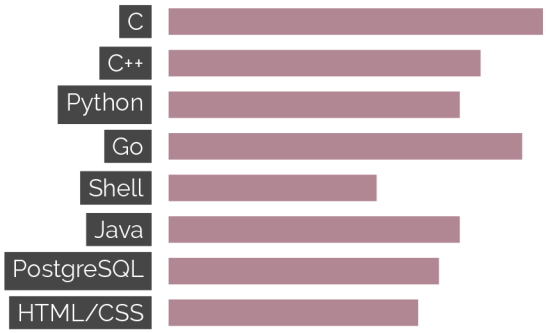
Data Science and Artificial Intelligence engineering student at EPITA Paris (France): Computer Engineering School

PRESENTATION

Student at EPITA in second year of engineering course, specialized in **Data Science and Artificial Intelligence**, having done two years of Preparation classes for Engineering schools (MPSI and MP).
Dual nationality French-English (English bilingual)

Numpy Git Docker scikit-learn



EDUCATION

2018 – 2021 **ING3** — **EPITA (Paris, FR)**
Third and final year of engineering course at EPITA Paris, **AI specialization** since 2020.

2016 – 2018 **CPGE MPSI/MP** — **Lycée Vaugelas Chambéry (FR)**
Engineering Preparation Classes, Mathematics and Physics studies in MPSI and MP.

2013 – 2016 **Scientifical Baccalaureat** — **Lycée Vaugelas Chambéry (FR)**
Maths specialization, honors and International course

PROFESSIONAL EXPERIENCE

09/2019 – 01/2020 **Backend Developer Internship** — **Bigblue (Station F, FR)**
Web Backend development using Go to integrate features in a logistics company.
Web scrapping, HTTP monitoring, Slack app and other features.

06/2017 – 08/2017 **Product chain tester** — **Schneider Electric (FR)**
Product assembly and test making with an automated machine.
Work done with a team of engineers

PROJECTS

Website - Ticketing website for EPITA's associations
4 months / Python/Django/PostgreSQL/HTML/CSS

Tiger Compiler - Compiler for the Tiger language (front-end/middle-end)
3 months / C++

Infinite Calculator - Infinite Calculator for Bignums
2 days / C++

BitTorrent - Bittorent client implementation
2 days / C

Captcha Solver - AI predicting captcha texts
1 month / Python/AzureML

RayTracer - Ray Tracing system implementation
2 days / C

Rush Java - AI implementation for a Minecraft-like game
2 days / Java

42sh - Shell implementation
1 month / C

SPOKEN LANGUAGES

French - Native
English - Native (TOEIC **950**)
German - Prep class level B2
Spanish - Secondary school level A2

HOBBIES

Musician (lead guitarist and composer in a band) and sportsman (tennis, handball, crossfit)
